

CYCLING BETWEEN THE FAMOUS PASSES OF THE GIRO D'ITALIA

For your safety, daily sanitization, temperature measurement, face masks, visors and hand sanitizer. Safe distance among people is also guaranteed if required

Our proposals:

- 1) Full itinerant tour of 6/7 nights "Between Lake and Mountains". You will cycle between two famous Valleys: Valtellina and Valle Camonica. You will get on the minibus only for a few stretches and change accommodation only for a few times.
- 2) Partial tour of 4 nights, with staying in the same place. You will cycle to the Mountain Passes which are located in the valleys along the unexplored and beautiful Camonica Valley.
- 3) Partial tour of 3 nights, with staying in the same place. You will cycle to the mountain passes that are located in the famous and beautiful Valtellina.

Degree of difficulty:

BC= Good physical ability with road bikes for altitude and height difference, also with e-bike. MC= medium technical ability.

BC= Good technical and physical ability, on gravel road and for MTB.

What you need to know:

Plan your Tour in advance, this way it will be easier to get a better price.
